SAWGRASS MARRIOTT - THE PLAYERS STADIUM

PONTE VEDRA BEACH, FL

Regarded as Pete Dye's masterpiece, THE PLAYERS Stadium Course has become the crown jewel of the courses played on the PGA TOUR. Before the course came along in 1980, few golf courses that hosted major golf events were accessible to the general public. Now there are some 21 TPC Courses available to the public in the U.S. Many golfers remember that the layout was very controversial when it first opened because it was so difficult. However, Dye listened and made changes to soften the course and make it "more fair." Through the years, there is no question that it has become one of the most popular courses with the Players. Huge mounds bordering the fairways provide an amphitheater type of setting making players feel like they are on center stage. You'll feel that way too, especially as you attempt to keep on dry land on the infamous 17th island green.

SHULA'S GOLF CLUB - SENATOR COURSE

MIAMI LAKES, FL

The 18-hole Senator Course at Don Shula's Golf Club is one of those courses that just seems to get better as you play your way around. The first few holes are fairly open and not overly difficult. However, things start to get more difficult as you get through the middle of the front side. By the time you make it to the 11th green, you'll know that you're in for a real dogfight. The fairways on the back get tight and there's water on just about every hole. All in all, it's a very enjoyable course from start to finish.

About Normandy Shores Golf Club (Miami Beach, FL)

Since originally opening in 1941, Normandy Shores Golf Club has been an integral part of Miami Beach's rich history. The years of the post World War II boom were its heyday, and in 1956, the city hired Mark Manahah to redesign the golf course. It soon became a hotspot for avid golfers as well as legendary tour professionals. In fact, Sam Snead, Arnold Palmer, and Peter Thompson played here on a regular basis. Other players that frequented the course went by names like Stork, Charlie the Blade, and Three-Iron Ward. In 2008, the city of Miami Beach invested over \$9 million and hired world-renowned golf course architect Arthur Hills to renovate the aging course for a second time. The newborn Normandy Shores Golf Club is nothing less than spectacular and should be on every golfer's itinerary visiting the Miami Beach area.

Så snart betalingen er registreret, og de personlige oplysninger er modtaget, vil My-Light staks gå i gang med at booke rejsen. Da vi bl.a. anvender de bedste aktuelle tilbud på internettet, kan det ske i enkelte tilfælde, at der senere kan være udsolgt eller prisen er steget. I disse få tilfælde vil der tilbydes et alternativ til det oprindelige og ofte til den samme pris, og intet bookes uden accept fra kunden.

My-light gør det på denne måde, for at holde prisen til kunden helt i bund, så jo kortere tid fra tilbud til ordre, vil mindske denne lille risiko.

Forsikring:

My-Light kan oprette rejseforsikringer fra Europæiske Rejseforsikring. Vi kan sælge alle deres forsikringer, men anbefaler, at man undersøger om man er forsikret gennem andre forsikringer der er tilknyttet til et Kreditkort, Inboforsikring ell.lign.
